Covid-19 Safety Protocol

DENSITY REQUIREMENTS

Capacity

- Keep your distance - wherever possible stay 1.5 metres apart
- No loitering - come, play, leave promptly
 - As much as we love our community and the time we spend together, it's important to **limit potential exposure**. Enjoy the physical activity, which we all need - but then make your way out of the Courts (exit near the toilets) within 5 minutes of your game ending.
 - **NO** player will be allowed to play **MULTIPLE GAMES** in one night. Play **ONE GAME ONLY** then leave promptly to limit potential exposure while also staying active.
- Limit spectators to zero (0) when possible

Definitions

- **Injured players** who will not be actively participating **can attend games** and be classified as a player. They will be required to **sit on the team bench** and **wear a mask** if aged 12 years or older.
- An official, coach, assistant coach, team manager, videographer, **scorer** or **time keeper** is **not** classified as a **spectator**. If they **remain masked**, they would NOT be considered a close contact in the event a player returns a positive Covid-19 test within 48 hours
- If you have no other childcare options, you are permitted to attend indoor sport and have your other children present. You should stay together as a family group whilst inside the venue. **Wear a mask** if aged 12 years or older.
- Where siblings are under 18 and playing at the same venue, they will be classified as participants and may attend their sibling's game. **Wear a mask** if aged 12 years or older.
